

Dr John Campbell

FRANZCOG
FRCOG
MB BS

Role

John is a medical advisor and is involved in the provision of assistance and advice to members on medico-legal matters, as well as providing expert opinion for Avant on claims issues.

Background

John's medical background is Obstetrics and Gynaecology. John is a past president of RANZCOG and was particularly involved with post graduate examinations, continuing professional development, medico-legal and indemnity matters, and risk management.
